## Calibration and Repair Services

### Accredited Calibration

*Fulfill Your Calibration Needs from a Single, Reliable Source!*

- Widest scope of ISO/IEC 17025 accreditation in the Alternative Energy Industry
- Documented, externally audited and internally monitored Quality Management Systems exceed ISO/IEC 17025 requirements
- Accredited calibrations for a broad array of disciplines

# TRANSCAT®

ALTERNATIVE ENERGY TOOLS • CALIBRATION SERVICES

## ***Transcat offers Complete Tool Kits – Customized or Standard.***

***Save time, money, and hassle while still getting what you want and need.***

### ***Transcat Tool Kits are as Easy as Request, Review, Order!***

- **Request** a Tool Kit Worksheet from a Transcat Customer Service Representative
- **Review** the Items listed in the Worksheet:
  - ✓ Add, change, and remove items, quantities, brands
  - ✓ Add laser etching
  - ✓ Add calibrations
- **Order** your kit by sending the Worksheet back to your Transcat Customer Service Representative

### ***Transcat adds value where others just can't...***

- **17025 Accredited Calibration:** We calibrate items included in your kit so they are ready to use upon arrival!
- **Complete Kitting** –Transcat kits the items you want to give you a COMPLETE Tool Kit, calibrated, organized and assembled ready to go.
- **Laser Etching:** Transcat can laser etch your items to help you stay organized and keep track of your tools.
- **Specify the Brand:** Transcat has relationships with the most popular brands, making it easy to get the specific brands you want.
